Dear Parent(s) or Guardian(s),

On Thursday, February 2nd the wrestling teams of Wilson, Roosevelt, and Taft Middle schools have the unique opportunity to practice at Jefferson High School. We are hoping this will make them better wrestlers by practicing with different competition, and possibly make some friendships for the future. It will also give the kids an opportunity to practice in a high school wrestling room. The kids WILL be transported from their schools to Jefferson where they will practice from 3:15-4:45 (roughly). We will also have our first official weigh in after practice. Jefferson will also have a wrestling meet that night at 6pm versus Dubuque Senior. All Middle School wrestlers are welcome to stay for the meet for free, or go home and come back later to the meet as a free invited guest. The wrestler will need to give their name to the ticket taker and note that they are a middle school wrestler from Wilson. If wrestlers cannot make the meet, we encourage rides to pick them up at 5pm at Jefferson, as there will NOT be supervision at the meet. Please also note, there will NOT be transportation back to Wilson, please arrange for transportation home from Jefferson. Thank you for your support.

Sincerely,

Wilson Middle School Wrestling Coaches

We (Wilson) should have enough head gear to hand out to all, as well as singlets. We have SOME shoes in a bin as well, but there isn't a lot of variety, size wise. Water bottles are not necessary, we usually use the water fountains in the hall, but are OK if preferred. As of right now practices are Monday - Thursday from 3:10 to 4:30.

We are still in discussions about practicing Friday mornings at 6:15. That has not been solidified yet, we will make an announcement at practice on a weekly basis regarding that Friday practice.
